

Benefactor Program

Where Compassion Comes Full Circle

Since Hoag's inception, the community has given generously to support Hoag's growth as a national health care leader while providing quality care to patients right in their backyard.

Today, Hoag is widely recognized as one of the premier health care providers in Southern California, offering advanced, comprehensive care at facilities located throughout Orange County. Donor support ensures Hoag's ability to deliver the next generation of care while maintaining and enhancing the Hoag experience for every patient and family.

As a gesture of gratitude, the Hoag Hospital Foundation established the Benefactor Program to honor and thank our most generous supporters.

A Special Thanks for Extraordinary Giving

As a Hoag Hospital Foundation Benefactor, you will enjoy exclusive access to a team of compassionate and experienced benefactor liaisons who will facilitate your health care journey across Hoag's many facilities.

Available 24/7, our liaisons will assist you with scheduling and referral requests and provide emergency department support at the Irvine or Newport Beach campuses. Simply call the benefactor hotline, and we will be there to assist you.

Offering you this assistance is our way of saying "thank you" for your generous support.

Become a Valued Partner

Hoag nurses, physicians, and support staff all thank you for considering the Hoag Hospital Foundation Benefactor Program.

Your leadership support advances our ability to provide the highest level of care to the patients and families we proudly serve.
