

Hoag Orthopedics

Founded in 2010 on the pillars of education, research and community outreach, Hoag Orthopedics is ensuring advancements in orthopedic medicine for generations to come. What we've achieved so far is just the beginning, and it's made possible by your support.

Impact by the Numbers

300+

Specialty physicians, including 93 orthopedists and spine surgeons

Fellows perform

500-800

surgical cases a year

5

Philanthropically funded fellowships each year

Commitment to clinical research with active research studies and

50+

8 industry-sponsored clinical trials

2

Endowed chairholders, a rarity in the community hospital setting

Recent Wins Thanks to Philanthropy

- Hoag Orthopedics provides one of the most sought-after orthopedic fellowship programs in the country, directly funded by philanthropy. Once completed, fellows move on to positions at prestigious institutions across the country.
- Hoag welcomed five incoming fellows for the class of 2024-2025. These talented professionals are being trained in advanced orthopedic care in sports medicine, arthroplasty, and spine surgery.
- At the annual Orthopedic Fellowship Research Day, June 28, 2024, fellows delivered special case reviews and presentations of their work and research investigations to their peers and attending surgeons.
- Hoag allows fellows to gain specialized orthopedic experience and work in our community with professional sports teams around Southern California while also learning the ins and outs of running a private practice.

Hoag Orthopedic Institute -Renowned & Recognized

- Ranked in the top 15 Adult Reconstruction Fellowship Programs in the country according to Becker’s Orthopedic Review.
- Named a 2024 World’s Best Specialized Hospital in Orthopedics by *Newsweek*.
- Leaders in orthopedic spine surgery, performing the most in Orange County.
- Ranked #29 for best orthopedic hospital in *U.S. News & World Report’s* 2024-2025 Best Hospitals list.
- Recognized as “high performing” in knee replacement, hip replacement, and hip fracture for 2024-2025.

“Hoag Orthopedics is widely recognized as one of the best programs in the world. The staff’s dedication to our success is evident in their tireless efforts to impart knowledge and operative secrets, ensuring that we are equipped with the necessary tools to excel in our careers.

It is through the generosity of donors that our fellowship program continues to thrive, producing some of the finest surgeons in the world. Your support enables us to uphold the highest standards of excellence in patient care and surgical innovation, and for that, I am profoundly grateful.”

– Justin P. Moo Young, MD
Adult Reconstruction and Total Joint
Replacement Fellow (2023-2024)
