

Women's Health Institute

Thank you for your support of the Women's Health Institute at Hoag. Your trust and generosity empower us to provide compassionate, comprehensive care that combines the most advanced treatment options available with personalized, integrated services focused on prevention and wellness. With your partnership, Hoag cares for the whole person—mind, body, and spirit.

Impact by the Numbers

2,000+

Mothers supported annually through the Maternal Mental Health Program

19 Physical therapists caring for

4,000

pelvic health patients per year

Nationally recognized leader in robotic-assisted surgery

1,350

robotic-guided hysterectomies annually

Highest volume birthing center in CA, delivering over

8,000

babies per year

4 Endowed chairs in women's health, supporting excellence in clinical practice, research, and education

Recent Wins Thanks to Philanthropy

- Hoag is now home to an **advanced AI software** that continuously analyzes maternal vital signs, fetal heart rate, uterine contractions, and labor progression to provide enhanced monitoring for high-risk mothers and babies.
- This year, Hoag introduced the use of **ultrasound** in its Pelvic Health Program and provided **education** to equip physical therapists with tools for a more effective, patient-centered approach to managing pelvic floor disorders.
- Twelve active cutting-edge **clinical trials** for gynecologic and breast cancers are helping Hoag improve outcomes for patients and shape the future of cancer care for women.
- Hoag launched the first-ever **breast surgery fellowship** in the country focused exclusively on the innovative oncoplastic breast surgery technique, which combines oncologic breast surgery and plastic surgery for truly patient-centered care.

Renowned & Recognized

- Hoag Breast Center is the first and only breast center in Orange County to be designated as a Certified Quality Breast Center of Excellence™ by the National Consortium of Breast Centers.
- Named by Women’s Choice Award® as one of America’s Best Hospitals for Obstetrics for 2014-2024. The 2024 award signifies that Hoag is in the top 1% of U.S. hospitals offering obstetrics.
- The third highest volume provider of gynecologic oncology robotic procedures in the nation and the fourth highest volume for gynecologic robotic-assisted surgeries overall in California.

“Our pledge to all women in Orange County is to ensure access to the finest and most advanced programs and services at every stage of their lives. This pledge is a pillar of Hoag’s expansion in Irvine, which will bring a new women’s health pavilion and more comprehensive care to the Sun Family Campus and surrounding communities.”

– Allyson Brooks, MD, FACOG
