## Hoag Promise Campaign Surpasses New Milestone

### NEW CAMPAIGN MILESTONE

OVER  
**\$700M**  
 RAISED

**113% OF  
CAMPAIGN GOAL**

The Hoag Promise Campaign has achieved another incredible milestone, surpassing \$700M. The overall Campaign goal of \$627M was reached in July 2019, 18 months ahead of its December 31, 2020 end date.

Since then, the Hoag Promise Campaign has continued in a push to meet or exceed the ambitious clinical fundraising priorities within the larger Campaign and will continue to press on in the final months of 2020.

We thank our 300+ Hoag Promise Campaign volunteers, our generous donor community and our dedicated Hoag staff and clinicians who have all contributed to the incredible success of the Hoag Promise Campaign.
