

# Philanthropy at Hoag

## Hoag Hospital Foundation

### Heritage of Community Partnership

In 1950, the community came together to build a hospital and bring much needed health care services to the residents of coastal Orange County. What followed those early days has been remarkable. Through their dedication to philanthropy and volunteerism, physicians, grateful patients, loved ones, business leaders, and community-based support groups, such as the 552 Club and Circle 1000, have helped create one of the finest community hospitals in the country.

### Philanthropy is Key to Hoag's Future

Today, thanks to so many who have come before us, Hoag is prepared to lead in the new health care environment. Hoag will increasingly rely on philanthropy to fund the people, programs, technology and facilities that other health care providers may call "extras" but that Hoag considers central to its core values.

### Hoag Institutes and Centers

Central to philanthropy at Hoag are our institutes and centers. Many of the programs offered rely exclusively on philanthropy to provide for their ongoing funding needs.

- Hoag Family Cancer Institute
- Mary & Dick Allen Diabetes Center
- Hoag Women's Health Institute
- Hoag Orthopedics
- Jeffrey M. Carlton Heart & Vascular Institute
- Hoag Neurosciences Institute
- Choose Nursing, Choose Hoag
- Joan & Andy Fimiano Emergency Pavilion

### Giving Opportunities

There are many ways for donors to partner with Hoag Hospital Foundation in supporting exceptional care at Hoag. A donation of any amount can be directed to the area of Hoag that has the most meaning for the donor.

### Friend and Fundraising Events

Toshiba Classic • Circle 1000 Founders' Celebration Lunch • Hoag Summer Classic • Christmas Carol Ball
