**Donors!** That's what Circle 1000 is all about.

It's the dedication of our donors who support us year after year, giving generously and believing in Circle 1000 and the Hoag Cancer Center, that makes the Founders' Brunch such an overwhelming success.

More than 525 donors turned out to hear former White House Chief of Staff Hamilton Jordan, share his memories of battling three different forms of cancer – non-Hodgkin's lymphoma, prostate cancer, and melanoma – all before the age of 50. He encouraged all in attendance to research their health options and resources, and to treat each day with a positive outlook and a respect for life.

**Contributions for 2004 are being designated as follows:**

**\$100,000** – Hoag Cancer Center Cell Biology Lab for vaccines and leading-edge equipment

**\$75,000** – Richard Flamson Hereditary Screening Program

**\$75,000** – Oncology nursing programs

**\$300,000** – Ongoing Women's Pavilion cancer programs and equipment pledge gifted upon the completion of construction

A very special thanks to all of our underwriters and supporters at all levels. Without your contributions, Circle 1000 would not have the opportunity and ability to support the cancer center, its programs and Hoag Hospital now, and in the future.

**Thank you!**

*Jean and Wes Bellwood, with their daughter, Diane Stewart are among the many underwriters who have given generously to Circle 1000 over the past 17 years.*

## *Circle 1000 Raises More Than \$617,000 In Its 17th Year*

*Underwriting Chair Sheryl Anderson, speaker Hamilton Jordan and Circle 1000 Chair Vicki Booth celebrate the success of the 17th Annual Founders' Brunch held at the Four Seasons Hotel.*
