## 2006

*Circle 1000's  
19th Year  
Celebration  
Tops \$814,000*

*Above: Platinum Underwriters and Committee Members Janet Curci Walsh and Gail Kirwan*

*Above Right: Hoag Hospital president, CEO Richard Afable, M.D., speaker Sam Donaldson, Circle 1000 Chair Vicki Booth, Dr. Robert Dillman, Medical Director of Hoag Cancer Center and Sandy Sewell, Circle 1000 Founding Chair*

The 19th annual Circle 1000 Founders' Brunch was an impressive success! Thanks again to the many Circle 1000 friends who continue to support the Hoag Hospital Cancer Center with their generous donations. This year, the loyal contributors raised a record amount of \$813,000, which increases Circle 1000's total proceeds to over \$7 million.

This Circle 1000 Founders' Brunch featured award-winning news correspondent and stage III melanoma survivor, Sam Donaldson. Every year at the Brunch we have an opportunity to celebrate and share in the survival story of a nationally recognized speaker. Each speaker brings their own story and perspective of cancer and survival to our Brunch. Mr. Donaldson spoke of his vision to advance public knowledge about cancer research and its benefits. He has been cancer free for 11 years and was emphatic that through cancer research, cures will be found. Circle 1000 shares his vision.

As we celebrate our family and friends who have fought and survived their battles and triumphs over cancer, Circle 1000 looks forward to celebrating its 20th year of giving the gift of hope to patients and financial help to Hoag Cancer Center and Hospital for its oncology needs.

Under Vicki Booth's leadership since 2002, Circle 1000 has reached new heights of giving. We thank Vicki for an outstanding job! No words can adequately convey how much we appreciate her commitment and guidance these past four years. Vicki will pass on her position as chairman to Karen Linden. Karen has been an integral part of Circle 1000's history as a member and major contributor. We are honored and thrilled to welcome her as chairman. We look forward to Circle 1000's 20th year. It will be an exciting time for all of us.

Raising funds to find cancer cures is one of Circle 1000's main missions. Thank you for awarding Circle 1000 the opportunity to significantly contribute to the cancer programs at Hoag Cancer Center. Contributions from 2006 have been designated for the following areas at Hoag Hospital:

- **\$100,000 for oncology nursing scholarships and the Annual Oncology Nursing Conference**
- **\$100,000 for Cell Biology Lab clinical trials**
- **\$550,000 towards a Circle 1000 fund for expansion of the Hoag Cancer Center**
