Circle 1000's 20th Year Celebration

Tops \$1.2 Million

Circle 1000 celebrated its 20th annual Founders' Brunch this year. Reaching this milestone proves without a doubt, Circle 1000 supporters are loyal and generous each and every year to Hoag Cancer Center. This year Circle 1000 raised over \$1.2 million dollars! It's an amazing and fabulous achievement. A very special thank you to each contributor. Your dedication to Circle 1000 over the past 20 years has brought our total proceeds to over \$8.2 million dollars.

This Circle 1000 Founders' Brunch featured college football legend, Lou Holtz. Every year at the Brunch we have an opportunity to celebrate and share with a special guest their story of the challenges and fights they have had directly or that someone significant to them has had with cancer. Lou Holtz has been added to our list of nationally recognized speakers that have honored us with their presence. Holtz was motivational, amusing and inspiring as he shared his account of his wife, Beth's battle through stage IV squamous cell throat cancer. Mrs. Holtz has been cancer free for over 10 years. Known as a motivational speaker throughout the country, Holtz certainly did not disappoint. He encouraged everyone

continued support of programs that support cancer research and treatment.

As Circle 1000 looks to the next several years of giving the gift of hope to patients and financial help to Hoag Cancer Center, we hope that our efforts, with your generous support, will continue the research and treatments necessary for oncology services at Hoag Hospital for as long as they are needed.

Raising funds to find cancer cures is one of Circle 1000's main missions. Developing the program that supports Circle 1000's efforts each year for Hoag Cancer Center means so much to each of our members, we are dedicated and

already working toward next year's Founders' Brunch.

Thank you for awarding Circle 1000 the opportunity to significantly contribute.

Contributions from 2007 have been designated for the following areas at Hoag Hospital:

- \$100,000 – Cell Biology Lab
- \$100,000 – Oncology Nursing
- \$100,000 – Sandy Sewell Oncology Nursing Scholarship
- \$700,000 plus remainder – Hoag Cancer Center Expansion
